INFLUENZA AND CONSUMPTION. INFLUENZA AND CONSUMPTION,

It is indeed, a melancholy truth, that thousands fall victims to consumption every year from no other cause than neglected colds; yet we find langreds; pay, thousands, who treat such complaints with the greatest indifference, and let them run on for weeks, and even months, without thinking of the danger. At first, you have what you consider a slight cough or cold; you allow business, pleasure for carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse have pains in the side or chest, expectoarate large quantities of matter, perhaps mixed with blood; a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this complaint. If, then, you value your life or heafth, be warned in time, and don't trifle with your life or health, be warned in time, and don't trifle with your cold, or trust to any quick no-trum to cure you; but insuediately procure a bottle or two of that famous remedy, DR. WISTAR'S BALSAM of WILD CHERRY? which

DR. WISTAR'S BALSAM of WILD CHERRY? which is well known to be the most speedy cure ever known, as thousands will testify, whose lives have been saved by it. For influenza it is the very best medicine in the world. Be not deceived, remember that spurious initiations and offer preparations of Wild Cherry abound throughout the land, but it is Dr. Wistar's that has performed so many thousand wonderful cures, therefore buy no other but the genuine, original Balsam of Wild Cherry, signed I. Butts for the weaper.

None genuine unless signed I. BUTTS on the wrapper, for sale in Camden at McKAIN'S Drug Store. Wholesale by P. M. Cohen & Co. Charleston, S. C., and by Druggists generally throughout the State.
